Introduction

Yashoda College of Architecture (YCA) is a part of Yashoda Shikshan Prasarak Mandal. It was established in 2015, at Wadhe, NH-4 Satara. College located in the scenic landscape with easy access from the national highway no 4. Stepping in the first year for Architecture, college already has a platform of all the immense infrastructural facilities from YSPM.

Architecture being one of the worldly dispersed and favorite industries, bringing students near to the built environment is a prime motive of YCA. Environmentally responsive architecture, sustainability, new materials in technology, etc are all the hidden aspects coming forward in the new world. Moulding the students to face and go forward with these issues to face the real world is the backbone of YCA teaching agenda.

The Gender Audit is an attempt to study whether the college has good gender balance. It tries to see whether college follows government rules, policies and actions formulated for up-gradation of women in society. The Gender Audit tries to access the impact of its current and proposed policies on gender equality.

The college always concentrates on student's qualitative performance along with their overall personality development. Observing the gender equality, the girls are provided with various facilities and special attentions.

This report provides an analysis of the gender distribution among students and staff at YCA over the past one years. By examining the enrollment and employment trends, we aim to gain insights into the representation and participation of male and female individuals within the college community. This analysis is crucial in assessing the institution's progress towards gender parity and inclusivity

By examining the data collected over the specified period, we identify patterns and trends in the gender composition of students and staff at the College. This analysis includes an exploration of enrollment statistics, highlighting the number of male and female students across last academic year.

Student council of Yashoda College of Architecture:

The Student Council at Yashoda College of Architecture is a vibrant and proactive governing body dedicated to enhancing the student experience and fostering a thriving academic environment. Comprised of elected student representatives, including a President, Vice President, Secretary, and Co-Secretary, the Council acts as a bridge between the student body, faculty, and administration. Their primary mission is to address student concerns, organize various events, and promote a sense of community within the college. The Council plays a pivotal role in facilitating communication between students and faculty, advocating for student needs, and promoting a positive college culture. Moreover, the Council serves as a platform for leadership development, encouraging students to take on responsible roles, voice their ideas, and actively participate in decision-making processes. Throughout year with the help of college student council organizes different activities.

Annual Gathering and Cultural Days stand as a cornerstone, celebrating diversity through music, dance, and art, showcasing the kaleidoscope of talents within the college community. The College Exhibition serves as a platform for budding architects to display their innovative designs and projects, stimulating creative discourse among peers and faculty. The sporting events organized by the Council not only promote physical well-being but also instill a sense of sportsmanship and teamwork. Additionally, the Council spearheads festivities commemorating occasions like Shivjayanti and Navratri, magnifying the cultural heritage and traditions within the college. This multifaceted approach to co-curricular engagement is pivotal in nurturing well-rounded individuals, fostering leadership skills, teamwork, and a sense of belonging within the student body. The collaborative efforts of the Council and the College of Architecture exemplify a commitment to holistic education, empowering students to excel not just academically but also as active participants in society.

Conclusion:

The analysis shows that gender equity goals and objectives are included in all the policies, programs of the college. The staff also reported that they have no problems related to gender criterion. Gender Audit Team analyzed that gender equality and gender sensitivity is encouraged by management and staff of the college and they do have gender sensitive behavior. It is found that the college has a lot of strengths and opportunities to develop good gender balance. The weaknesses can be overcome with gradual changes in value set up. Doubtless, the enrolment of girls is increasing and there are no gender issue complaints.

Findings:

1. Female Students strength is more and is increasing continuously.
2. The participation of female students in annual gathering and cultural is higher than male students.
3. In sports the participation of male students are more than that of female students.
4. In zonal sports in last five academic years only four female students have participated.
5. Seats are not reserved for female students in student council body.

Recommendations:

1. Motivate male students to participate in annual gathering and cultural days.
2. Motivate and guide female students more about sports and motivate them to participate in college sport and also in zonal sports.
3. Minimum 33% female student's participation should be there in student council body.
4. Organize women empowerment programs and awareness programs on Legal Rights of Women.
