PRESIDENT'S DESK

I welcome you to YSPM's Yashoda Technical Campus, Satara, an Institution which inculcates true values while disseminating quality education for shaping the career of our students. All our institutes are approved by the concerned statutory bodies and fulfill all the norms and standards laid down by them. Our technical campus is located in a lush, green, pollution free, picturesque environment. Our institutes have well qualified, experienced and student caring faculty, well equipped laboratories, spacious lecture halls and tutorial rooms, well maintained rich library, e-library, Wi-Fi Campus, Computer with Internet Facility, and a play ground with sports facilities. We emphasize on overall personality development of our students. Our faculty pays attention to each students a platform to excel not only in academics but also in co-curricular and a multi disciplinary study culture. Amenities provided by our institutes include transport facility, hostel facility, reprographics facility, canteen, STD PCO, medical centre, sports centre etc.

We are committed to impart value based quality education along with development of positive attitude, skills and abilities to apply knowledge in order to meet the challenges of future. I extend my best wishes for your bright and prosperous future.

Prof. Dasharath Sagare
Founder President
YSPM - YSS, Satara

EDITOR'S DESK

I am pleased to release (46 volume) of YSPM newsletter. The newsletter is a good way to let you know about happenings in Yashoda Technical Campus. We are growing and our mission to improve the quality and utility of Teaching-learning mechanism. As you are aware, the infrastructure of YTC is all set for development of new platforms. Let's celebrate the festivals, let's plan the guest lectures, industrial tours, let's climb the mountain.

Kind Regards:
Mr. Somnath N. Kumbhar

(57) Abstract :
The present invention discloses the transdermal patch formulation comprising anti-fungal drug, Ajwain oil and collagen for treatment

Our staff of Yashoda Technical Campus, Faculty of Pharmacy, Dr. V. K. Redasani, Prof. Atish Velhal, Dr. Sachin Rohane, Dr. Prakash Jadhav, have published patent namely "Transdermal patch using collagen as matrix and wound healer in management of burn and post-operative patient" For this great achievement our founder president hon. Dashrath Sagare and vice president Prof. Ajinkya Sagare appreciated and congratulate for their efforts.

Faculty of MBA conducted the orientation of the newly admitted students of MBA Batch 2023-25. Induction program was organized to give proper guidance about the institute to the newly admitted MBA students so that they could get a complete and perfect picture of the institution. Prof. Dr. Devika Vashisht (Professor, Indian Institute of Management (IIM, Sirmaur, Himachal Pradesh) presided over the inaugural function of the Induction week as the Chief resource person of Inaugural day. The event took place physically in the classroom, where all the dignitaries, faculties and students gathered. Our eminent group of faculties was introduced to the fresh batch, where every faculty member gave guidance to the MBA students and was also able to motivate them. On the day of student orientation,

Adv. Yogendra Satpute (Faculty, Maharashtra Centre for Entrepreneurship Development, Maharashtra) guided with wise words. His astute words gave students a sense of understanding in a much deeper level the importance of Entrepreneurship: Aspects and Skills. The third session of the day 1 was delivered by Dr. Rajashree Deshpande (President-Indian Medical Association, Satara Maharashtra, India) on Youth Mental Health: Challenges. The student with Ethics and Moral Values can only develop the society in the right manner. Dr. Pravita Yadav-Patil (Senior Manager, Bharat Serum and Vaccines Limited, India) delivered 4th session on Ethics and moral values in students' life.

The end results of pursuing professional program like MBA is measure on the yard stick of Quality of placement that students get. Mr. Makarand Landge in another session steered students for the campus visit and therein the camp visited group discussion room, orange seminar hall, administrative office, playground, library, computer center, gymkhana, co-operative store, cafeteria and all other relevant areas.

"VOTER'S REGISTRATION CAMP" AT CIVIL SEMINAR HALL, SATARA

Voter's registration Camp, 29/08/2023, Talathi from Wadhe Mr. Patil and Mandal Adhikari Mr. Ghadage Ajit and BLO's was present whole day, Principal. Dr. P.R. Badadapure graced the occasion and done felicitation of Govt. Authorities. Prof. Borate P. G. (NSS coordinator, Engineering) Coordinated the event and also Prof. Shaikh A.N. worked as co-coordinator as an ISTE students chapter coordinator. 46 students (i.e. 29-Male and 17-Female students) done the registration and made this drive successful one. All Engineering, Polytechnic, Pharmacy, MBA and MCA, Architecture Teaching, Non-teaching staff and Students of YTC, campus were present at "Voter's registration camp" as per the instructions given by Government Authorities through DBATU, NSS by YTC NSS, unit.

CELEBRATING THE FAREWELL OF FINAL YEAR STUDENTS

CIVIL ENGINEERING

Civil Engineering Department bid farewell to its final year students, while simultaneously welcoming the incoming batch of second-year students. The event, held on Saturday, 05/08/2023 in Yellow Seminar hall, in association with CESA

Club, was filled with emotions, nostalgia, and excitement for the future. The farewell ceremony commenced with a speech by the Head of the Civil Engineering Department, Prof. Patil C.B., who praised the graduating students for their dedication, hard work, and accomplishments throughout their academic journey. He emphasized how they had grown into skilled engineers and expressed confidence in their bright futures. The event also featured inspiring talks from distinguished alumni who shared their experiences and success stories. These alumni served as a source of motivation for both the graduating students and those just beginning their journey in civil engineering.

All Department faculty members Prof. Borate P.G., Prof. hah A.S., Prof. Lembhe S.S. also shared their experience with students and encourage for bright future. Event is concluded giving vote of thanks by Prof. Shaikh A.N.

ISHRAE INSTRUCTOR PROGRAM

MECHANICAL ENGINEERING

The Mechanical Engineering Department of YSPM's Yashoda Technical Campus, Satara, in collaboration with the ISHRAE Kolhapur Chapter, organized a comprehensive technical session on the opportunities within the Heating, Ventilation, and Air Conditioning (HVAC) industry. The event took place on August 26, 2023, starting from 10:00 AM onwards. The session aimed to enlighten students about the vast prospects in the HVAC sector and the advantages of being associated with ISHRAE. The seminar witnessed an enthusiastic gathering of about 200 students and faculty members from the Mechanical, Electrical Engineering, Polytechnic and Architecture streams.

Date: 17 & 18 August 2023

Orientation Programme for students admitted to the MCA course was held on 17-18th August 2023. The purpose of orientation programs has changed as they evolved over time, introducing more academic supports and resources for students to be prepared. The goals of the orientation programs is to create student's familiarity with the institution's regulations and academic standards, acquaint the students with their classmates and to learn about the other institutional members that will help students succeed. Prof. P.S Gade Ma'am welcomed all Chief Guest, Dignitaries, Director Sir, HOD, faculties and all the newly admitted students.

After the Saraswati Poojan, Dr. V.K Redasani Sir, Director, gave the Introduction of the program and acquainted our students with various facilities and college campus. The involvement student should have with their college, and the importance of education and academician, was given by Sir. Sir also ensured students were quite aware of the Placement and training sessions, Institute provides. After that he welcomed all Guests and students.

Session I: Peer Pressure, Human Values and Ethics, Competitive exams.

Miss. Gandhali Pawar, Assistant Commissioner, Pune Municipal Corporation, Pune was our Chief guest. Gandhali Ma'am was selected as Assistant Commissioner, Pune after giving qualifying for MPSC. While, working in Pune Municipal Corporation, it is always necessary for her to be calm and confident. Sharing the same experience, she asked students to be calm and always be soft on your thoughts. Peer pressure and working pressure being today's of the most discussed topics and the proper management of these, needs to be done properly. When working in competitive environment, human values and ethics also play a crucial role in character building. Hence staying abide to the human values is necessary. Also, government provides various platforms for students and employees to work for the nation as well. The scope of competitive exams is much wider and also can be achieved by students while studying or even working. Such exams in India are highly competing and require time and effort to clear. Ma'am can give advice to start preparing as early as possible and remember to take mock tests.

Session II: How to Unleash the Entrepreneur within you??, Gaurav Nikam, CEO and Director Digipeddles Technologies, Pune.

Entrepreneurship Development is the process of improving the skills and knowledge of entrepreneurs through various training and classroom programs. The whole point of entrepreneurship development is to increase the number of entrepreneurs. Mr. Gaurav Nikam Sir said, No one will tell you what to do (except your customers). You have to be self-motivated, willing to make many sacrifices, and be able to last for the long term while your business goes from startup to maturity. He then created a challenge in which he asked students to assume that they have 10 rupees how they will reach their native place. There were several replies from the students, he then cross questioned them and gave his expert opinion on each reply. The motive of this task was to know how the students will think if they are stuck in a non-favorable situation, because to become an entrepreneur one must have quick and effective thinking and skills to get out from such situations.

1. Building a Business plan
2. Communicating with investors
3. Marketing
4. Hiring People and Getting best Out of them
5. New technologies & what they can do for you
6. Innovation and Creativity
7. Accounting
8. Legal Aspects

Day 2

Session III: Corporate Culture and Management, Mr. Tejas Shelar, Sr. Software Developer, Allaince, Pune

Mr. Tejas Shelar sir cover all the thinks about the How to grooming yourself. Mr. Tejas sir can explain all the thinks related to IT industry. Which language is now in market? Which language have more scope in IT industry also sir can give knowledge related to testing and development. In between the session sir can also solve the students queries. In the session sir can tell about the leadership. Leadership is a function of knowing yourself, having a vision that is well communicated, building trust among colleagues, and taking effective action to realize your own leadership potential. Mr. Tejas Shelar sir also spoke about the Positive and negative thinking. How it affected in your career and personality.

Session IV: Career guidance, Mr Gorakh Kharat, Mr. Manas Panda, Software Development Consultant, Pune.

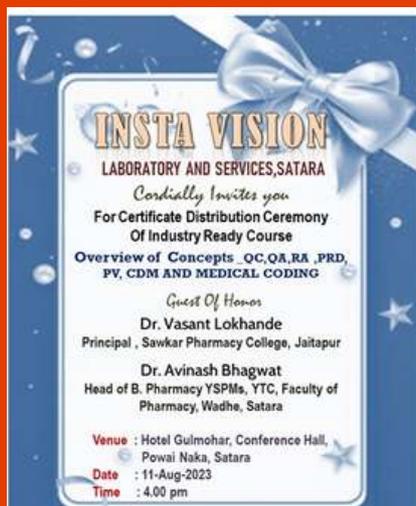

In the afternoon session Mr. Manas Panda sir started the session he is explain all the important thinks related to software development. How to build software? At the time of software development which language is used for front end and back end? After that sir can handover the session to the Mr. Gorakh Kharat sir.

Mr. Gorakh Kharat sir started the session and he cover all the points related to IT industry. Sir can explain how IT industry work? Which Knowledge do you have to enter in IT industry? What is agile model? How it is work? Scope of agile model in market? Sir can also explain Software Development Life Cycle. Sir has given the brief explanation of each point. So everyone doubts were resolve

Faculty of Pharmacy

GUEST LECTURE PHARMACY

On 11th August 2023 Insta-vision Laboratories, Satara invited Dr. Avinash Bhagwat as a Chief Guest for certificate distribution ceremony of

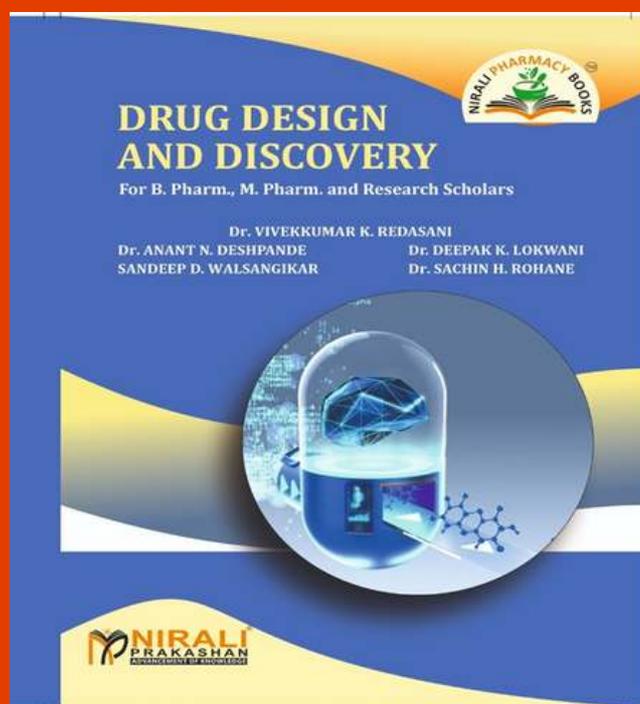

Industry Ready Course Overview of Concepts QC, QA, RA, PRD, PV, CDM and Medical Coding of B. Pharm students.

They delivered lecture on Topic Add on Course: A Bridge between Academic and Industry and interacted with students.

BOOK PUBLISHED

B PHARMACY

Happy to announce that two of our faculty maintains the tradition of book publication. Principal Dr. V. K. Redasani and Dr. S. H. Rohane has recently published a text book of **DRUG DESIGN AND DISCOVERY** for B. Pharm, M Pharm and Research scholars. This book is of NIRALI publication House. This book consists of five units in a flow like a journey from requirement of drug to discovery of drug. For this great achievement our founder president hon. Dashrath Sagare sir and vice president Prof. Ajinkya Sagare Sir appreciated and congratulate for their efforts.

IN HOUSE FACULTY TRAINING PROGRAM ON DEMONSTRATION OF FTIR PHARMACY

As a part of curriculum, Yashoda College of Pharmacy has organized demonstration of FTIR with Lab India Analytics Instruments Pvt. Ltd., Mumbai at Yashoda Technical Campus, Faculty of Pharmacy, Satara for Staff and M. Pharm students on Tuesday, 8th August 2023

Labindia Analytical is leading manufacturer, exporter and distributor for more than 30 years, led by a group of committed and visionary technocrats, engineers and professionals. Labindia Analytical pioneered the application and training center, equipped with ultra modern research facilities and professional application support.

Mr. Anand Patil Business Manager, Pune & Mr. Balu Sontakke Territory Manager explained all FTIR instrument through its basic principle, Preparative work, working as well as troubleshooting regarding same. They also explain the interpretation of data. The Activity is coordinated by Dr. Sachin H. Rohane and Mr. V. R. Mohite.

CASE STUDY VISIT AT RAJASHRI SHAHU CHATRAPATI SMARAK BHAVAN , KOLHAPUR & SARAI ART GALLERY

On August 10, 2023, the students of third year and faculty of YCA reached the Rajashri Shahu Chatrapati Smarak Bhavan , Kolhapur established in 1984, for architectural design case study as per planned schedule. 09 Students of third year and faculty member reached 11.00am at the case study location, with the help of the secretary of smarak and one of his assistant we started to explore the spaces of cultural centre. The main focus of the case study was to examine the architectural layout and spatial organization of cultural centre to determine its efficiency in accommodating various functions. Students experienced the auditorium, art gallery, exhibition area, library, pre- function areas & ancillary spaces and also took the dimensions of the planned spaces to understand the every area, with the help of sketches and collected data, Everyone learned the choice of materials and design elements reflects the cultural context of the region. After completing the case study of Shahu smarak students and faculty headed towards Sarai art gallery for Individual Art gallery case study.

SITE VISIT REPORT BY COLLEGE OF ARCHITECTURE, SATARA

Onco-life cancer centre is located in near Shendre Phata Satara. To Onco Life Cancer Centre one can reach through, Pune Bangalore Highway, it is 10kms from main satara city. It provides a wide range of medical services such as medical, radiation, Surgical Oncology, Medical Oncology, Pet/CT Scan to help the patients achieve and maintain optimal health. The students were able to see all the treatment areas such as radiation, surgery, gynaecology and medicine areas of hospital. The students were able to see the wards and semi special and special rooms also.

Through the visit the students could actually experience the space and working of cancer hospital.

**CASE STUDY VISIT AT: ASTER ADHAR HOSPITAL & WIINS,
KOLHAPUR**

On August 10, 2023, the students and faculty of YCA reached at Astar Adhar Hospital, Kolhapur at 11am. Students were divided into three groups for better understanding of zoning, planning, services and other requirements related to hospital. The focus of their study was directed towards analysing hospital services and the intricacies of planning layouts. In accordance with the hospital's regulations, which prioritize patient comfort and privacy, the students were prohibited from capturing photographs of the internal premises. In lieu of this restriction, the students adeptly employed sketches to document the layout's design. Additionally, they diligently recorded intricate details pertaining to their observations.

After Completion of first case study, students and faculty reached at WIINS at 1.30 pm. they encountered variations in the planning and zoning aspects, tailored to meet the specific requirements of the patients. During their visit, they gained valuable insights into a range of features, including fire-fighting provisions, ramp installations, the CSSD plant, strategically positioned nursing stations and the establishment of a connection with a central court designed as a healing space. This experience provided them with a deeper understanding of the intricacies involved in hospital design.

LIBRARY DAY

12Th August is celebrated as Librarian's day in India in honour birth anniversary of Dr. S. R. Ranganathan who is known as "Father of Library Science in India". We, at Yashoda College Of Architecture, Satara had kept small programme to celebrate this important day. On this occasion the program was inaugurated lighting the lamp by Er. Amol Jadhav & Ar, Jamir Mulani. Also At the hands of Students council members, Dr. S. R. Ranganathan's image was unveiled as well as wreaths and flowers were offered.

The gathering was addressed by Librarian Leena S. Kamble who paid homage to Dr. S. R. Ranganathan and highlighted some of his major contributions to the field of Library and Information Science.

On this day library has organized books Exhibition of new arrival in library and Competitive Examination books, in order to inspire students for career growth, exploring opportunities and gain knowledge. At the end librarian thanked everyone for gathering and celebrating this programme.

LOKMANYA TILAK PUNYATITHI

On this occasion lighting the lamp by Ar. Rakhi Begampure, also at the hands of all teachers & students council members Lokmanya Tilak's image was unveiled as well as wreaths and flowers were offered. students to expressed their heartfelt gratitude towards freedom fighter Lokmanya Tilak. Ms. Narkar Kalyani student of second year in her speech tell the story of Lokmanya Tilak's courage, struggles and dedication in the freedom movement, in another speech of Ms. Nevarekar Arati of third year student tell the story of Lokmanya Tilak's how to sacrificed to protect the motherland. Always inspired the people of the country by Lokmanya Tilak.
