Great learning soft wear use for uploading submission/assignment in covid 19 lockdown

Description:

Modern technologies like Computer projections by projectors are used in all the classes and studios. E-library is also referred by the faculty as a modern teaching and moreover a research tool before teaching. Projector Screens and computer plotters are used as additional teaching aids. Audio video facilities in terms of home theatre and music system are also used in visual arts lectures and studios. In addition to the above for the current scenario of online learning we have a purchased a portal of Great Learning which enables to conduct all the lectures, Seminars, Feedbacks and many other things that make the online learning more efficient.
