Report on Blood Donation Camp organized by Yashoda College of Architecture

Title: Blood Donation Camp

Date : 09/05/2019

Location : Yashoda College of Architecture, Satara.

In Collaboration with: Balaji Blood Bank, Satara & Raktache Nate Charitable Trust, India

In Association with: IIA, Satara & IIID, Satara

Co-ordinators: Prof. Ar. Swarali Sagare, Prof. Tushar Shende and Students of F.Y.B.Arch

The purpose to organize a blood donation camp is to motivate people to donate blood and social works. The organization of blood donation camp is a well known blood bank in Satara. With increase in population and development of more advanced medical and surgical procedures, the need for blood is ever increasing. Only voluntary blood donors can help to maintain an adequate supply of blood to save the lives of those who in need. They are the source of safe blood also.

Inauguration for the program by in presence of YSPM's President Prof.D.B. Sagare, Founder of Raktache Nate Charitable Trust, IIA Chairman and IIID Chairman, Satara

Date: 02/02/ 2019 **Time:** 10.0 am onwards

Type: Extra curriculum, term II

Venue: Yashoda college of Architecture, Satara

Faculty: Ar.Prakash Bansode & Ar.Vrushali Chavan

Aim:

The aim of the program was to create awareness about the environment and wet lands .

Objective: To know the information and spread the awareness about wet lands and the tree plantation among students and staff .

Introduction:

On the occasion of World Wetland Day Yashoda Technical Campus, Satara institute code 1664 Organising Tree plantation program to create awareness among the student on 2/02/2019 World Wetlands Day occurs annually on February 2nd, marking the date of the adoption of the Convention on Wetlands on February 2, 1971.

Established to raise awareness about the value of wetlands for humanity and the planet, WWD was celebrated for the first time in 1997 and has grown remarkably since then. Each year, government agencies, non-governmental organizations, and groups of citizens at all levels of the community, have taken advantage of the opportunity to undertake actions aimed at raising public awareness of wetland values and benefits.

YSPM's Yashoda College of Architecture

Some of these benefits include: biologically diverse ecosystems that provide habitat for many species, serve as buffers on the coast against storms and flooding, and naturally filter water by breaking down or transforming harmful pollutants. This activity is done successfully in the presence of staff and student.

Aim – The aim of this initiative is to achieve sustainable development goals

Objectives – To make society aware about plastic waste management through college initiative. This initiative is for plastic waste management to enhance, increase and establish more effective services with help of RIDOFT SUSTAINABLE ENVIRONS PVT.LTD

It is initiative taken by Yashoda College of Architecture in collaboration with RIDOFT SUSTAINABLE ENVIRONS PVT.LTD and sustainable development goals set by United States and Swachh Bharat Mission.

Purpose of this initiative to achieve sustainable development goals and to achieve this goal colleges and universities plays a vital role in preparing students to meet the sustainability challenges in future. This initiative is to be considered as a pilot project under swachh Bharat Mission. Sustainable development is a development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

This initiative is for plastic waste management to enhance, increase and establish more effective services with help of RIDOFT SUSTAINABLE ENVIRONS PVT.LTD. Plastic waste is rising problems in the environment that pollutes air, water and land. A PET Bottle takes hundreds of years to decompose. So this initiative mainly focuses on waste PET bottles management. The best way for plastic waste management is through the 3 R's – reduce, reuse and recycle.

For this Yashoda college of architecture is collecting PET bottles by all students of YCA and tag it with students and registration ID, store it. Installation is made in Yashoda college of Architecture's building atrium by students to store those PET bottles. After collection of PET bottles they will be handed over to RIDOFT SUSTAINABLE ENVIRONS PVT.LTD representative Ar.Shaunak Kadam. By engaging students, staff of YCA and their households in campaign to maximize on ground impact by using RIDOFT app

Aim: To increase understanding of a heritage site amongst students and how measure drawing of a heritage site is to be done.

Objectives: To document pateshwar temple complex located in satara by measuring structure and documenting it in form of a drawings.

Introduction:

E-seed is working on research and documentation work of pateshwar temple complex located in satara for this work E-seed approached YSPM's Yashoda College of Architecture and requested for help in doing measure drawing of pateshwar temple complex. Team from Yashoda College of architecture visited site and understood the requirements in detail. For this work E-seed appointed Ar.Saurabh Joshi – conservation architect to guide students and professionals from YCA. On first day Ar.Saurabh Joshi visited YCA to guide students for Pateshwar Temple Complex Research and Conservation documentation work. Event started with registration of students who were participating in this work. Then Ar.Shree Mahajani facilitated the guest Ar.Saurabh Joshi and guest lecture started to introduce students about conservation and how the further work of documentation will happen.

Students were divided into seven groups according to the work distribution of Pateshwar temple complex measure drawing. Group discussion with individual groups conducted to guide students what is to be done on actual site and instructions were given to the students about next five days schedule.

Outcomes:

The outcomes of the heritage documentation certificate program offered by YCA are tailored specifically to the documentation and preservation of this site. The program focuses on developing skills and knowledge related to the temple's unique history, architecture, and cultural significance, as well as the challenges and opportunities involved in documenting and preserving this heritage site, which are elaborated below:

- Communication development and presentation skills: Students have learned how to communicate research findings through written reports, presentations, and digital media.
- Understanding the importance of collaboration: Students have learned about the importance of collaboration in heritage documentation and management, including working with stakeholders such as local communities, heritage professionals, and government agencies.

YSPM's Yashoda College of Architecture

-
- Skills development in the use of various documentation techniques and tools, such as photography, surveying, mapping, and data analysis software and communicating research findings through written reports, presentations, and digital media.
 - Knowledge gain of the historical, cultural, and social contexts that surround the Pateshwar heritage site
 - Understanding the legal and ethical frameworks that govern heritage documentation and management.
 - Understanding the importance of community engagement and collaboration in heritage documentation and management.

Further this documentation is handed over to ESEED to be further developed into a book
