MEMORANDUM OF UNDERSTANDING BETWEEN
GREAT LAKES E-LEARNING SERVICES PVT. LTD
AND
YSPM's Yashoda College of Architecture

THIS MEMORANDUM OF UNDERSTANDING (the "Agreement") is made this 14 th day of August , 2020 by and between GREAT LAKES E-LEARNING SERVICES PVT. LTD, a company incorporated in India and having its corporate office at 2nd Floor, Orchid Centre, Sec-53, Golf course road, Gurgaon, India 122002 (hereafter referred to as "GREAT LEARNING") and YSPM's Yashoda College of Architecture an educational institute set up in India and having its registered office at GAT. NO.-242/1,242/2,243,244, 241/5A,246/4,241/5B Wadhe,Tal : Satara Dist: Satara (hereinafter referred to as "INSTITUTE").

PURPOSE

That Great Learning intends to assist universities and colleges deliver high quality and impactful online and blended learning by the use of its proprietary end to end cloud based solution, Olympus Digital Campus (hereinafter "Platform") and create a seamless student, faculty and Administration (hereinafter "User") experience that ensures excellent learning outcomes.

That the Institute intends to utilise this Platform for setting up its online and blended learning operations for students and faculty.

NOW, THEREFORE, In consideration of the premises and of the mutual covenants and conditions set forth in this Agreement, Great Learning and Institute (individually, the "Party" and collectively, the "Parties") agree as follows:

I. OBLIGATIONS:

A. Great Learning will

- Provide role based access to the Platform based on the Institute's requirements and the subscribed version
- Provide the required assistance to the Institute in setting up its operations on the Platform
- Conduct trainings for the Users for on-boarding them on the Platform
- Provide the required support in the day to day operations on the Platform

B. Institute will:

- Provide the necessary details as requested by Great Learning for on-boarding the Users on the Platform
- Ensure that the Platform is used only for the purpose stipulated above
- Grant Great Learning a non-exclusive, non-transferable, and non-sublicensable license to use the Institute's trademarks solely in connection with marketing, promotion and sale of its Platform.

II. TERM AND TERMINATION

This Agreement will be effective on the day of its signing by both Parties. It will be valid for a period of 9 months. The parties may change or modify the Term of this Agreement only by written amendment signed by the parties.

This Agreement may be terminated with or without cause by providing written notice to the other party atleast thirty (30) days prior to the effective date of termination

III. CONFIDENTIALITY AND INTELLECTUAL PROPERTY

The Parties shall abide by the Privacy Policy and Terms of use specified on the Great Learning website and the Platform, which may be amended from time to time.

The Parties agree that it shall not acquire any ownership interest in any patents, trademarks, copyrights, domain names, works of authorship, trade secrets, or any other intellectual property (collectively, "Intellectual Property") or confidential information owned by or licensed to the other Party under this Agreement.

IV. INDEMNIFICATION

Each Party hereby agrees to indemnify and hold harmless the other Party against any and all liability, claims, suits, losses, costs and legal fees to the extent caused by, arising out of, or resulting from any fraud, wilful misconduct, misrepresentation, infringement or misappropriation of Intellectual Property rights, breach of confidentiality and/or negligent act or omission of the Party in the performance and/or failure to perform under this agreement, including the negligent acts or omission of the Party or any direct or indirect employees or Users of the Party.

V. ASSIGNABILITY

The respective rights and obligations of the Parties under this Agreement shall not be assignable.

VI. MODIFICATION

This Agreement constitutes the entire understanding of the Parties with respect to the Relationship and may be modified only by a written agreement signed by each Party.

VII. GOVERNING LAW

This Agreement shall be governed and construed in accordance with the laws of India and the Courts at New Delhi will have sole and exclusive Jurisdiction.

The undersigned have signed this Agreement on the dates respectively indicated below.

- Yashoda College of Architecture, Satara and IIV will be responsible for the training and allied support of the respective scope of work under the program.

Execution & Operational Review

- Yashoda College of Architecture, Satara and IIV will review the operations of the program twice a year. The purpose of the review shall be to assess the planning and operations of the program, including but not limited to its quality, timeline, performance, and progress. The subject of expansion and amplification of the scope of this MoU will also be discussed during this meeting.

Exchange of Information and confidentiality

- The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided exchanged or arising under the areas of cooperation identified in the MoU. The parties shall take all measures to protect the secrecy of and avoid disclosure to any third parties and unauthorized use of the information which is confidential and outside the public domain. Individuals who will come into possession of privileged information shall be required to sign a **mutual non - disclosure agreement** to the above effect.

General Provisions

- 1) The institution organizing an item of work shall have the nodal responsibility for mobilizing resources and conducting such works.
- 2) The parties shall discuss and finalize the detailed scope of work to be performed by each Party for each project and agree on the financial considerations for the same.
- 3) Except as agreed above in (2), each Party shall bear the respective costs of carrying out the obligations under this MoU. Neither Party shall claim against the other Party for any expenditure unless such expenditure has been agreed upon in writing between the parties.
- 4) The implementation of the areas and forms of cooperation identified in this MoU shall be subject to the availability and convenience of Architects faculty, research scholars, students, and infrastructure facilities at the parties' workplace.
- 5) Any reports, research publications, and commercially exploitable innovations arising from the joint research projects shall be jointly published or patented as appropriate.

Relationship of the Parties

- This MoU is not intended to create a relationship such as a partnership, joint venture, agency, or employment relationship. Neither Party may act in a manner that expresses or implies a relationship other than an independent contractor, nor bind the other

Party. Participation in this MoU shall not prevent either Party from entering similar MoUs with other institutions.

Assignment

- Neither Party may assign or otherwise transfer any of its rights or obligations under this MoU without the prior written consent of the other Party.

Use of other Party's Name

- Either of the Parties shall not use the other's name, trademarks, seal, photograph, or any other identifying or proprietary information in catalogues, advertising & promotional materials, or other material unless the other Party has reviewed and approved of the proposed use.

Validity

- Unless extended by the Parties in writing, this MoU shall remain valid and effective for Five (5) years from the date of execution hereof and can be extended for a further period to be mutually agreed upon. Either Party may terminate this MoU by sending a prior written notice of not less than one (1) month. The provisions of this MoU shall survive the expiry or termination of this MoU for Five (5) years.

Law

- Disputes and claims arising from this MoU or its interpretation, breach, performance, or termination, unless settled by mutual MoU in writing, shall be finally settled by arbitration in a court of law in Satara, Maharashtra India. The language of the arbitration shall be English, and Indian law shall apply. The award of arbitration shall be final and binding on the parties.

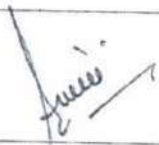

Miscellaneous

- This MoU supersedes any prior oral or written understandings and constitutes the entire MoU between the parties with respect to its subject matter, and no modification, amendment, or waiver thereof shall be effective unless in writing and signed by both parties.
- Neither Party shall make any claim against or be liable to the other for any loss or damage including but not limited to any consequential damages or loss of profits arising from any discussions, actions taken in reliance on this MoU. Unless agreed by mutual consent in writing, this MoU will expire automatically on 24th June 2027.

- Each person executing this MoU warrants and represents the authority to enter into this MoU on behalf of the Party whose name appears above their signature.

IN WITNESS WHEREOF, the duly authorized representatives of the parties hereto have executed this MoU and caused it to be effective as of the date first written above.

- Yashoda College of Architecture, Satara shall give the data of the students / Ex-Students of the Institute to reach them with Professional Activities.
- Provide platform/space/area to have the State of Art first of its kind training area developed mutually between the IIV and YASHODA COLLEGE OF ARCHITECTURE, SATARA in the campus of Yashoda College of Architecture, Satara for catering for the training and educational need of the fresher's in the field of valuation.
- Planning and execution of programs at Yashoda College of Architecture, Satara as per agreed procedures and timelines.
- Providing adequate and reliable access to the internet and power supply for the computers, printers, and equipment during the above-stated programs.
- Performing day-to-day administration support of the activities at Yashoda College of Architecture, Satara.
- Coordination and hosting the defined activities of mutual benefits and supports.

Facilities and Management

- Yashoda College of Architecture, Satara will provide and be solely responsible for the physical infrastructure for Yashoda College of Architecture, Satara's classrooms and research facilities including, but not limited to interiors, network connection, amenities such as drinking water and toilet facilities, uninterrupted power supply, and any equipment and ancillaries.
- YASHODA COLLEGE OF ARCHITECTURE, SATARA and IIV will be responsible for the training and allied support of the respective scope of work under the program.

Execution & Operational Review

- **YASHODA COLLEGE OF ARCHITECTURE, SATARA** and **IIV** will review the operations of the program twice a year. The purpose of the review shall be to assess the planning and operations of the program, including but not limited to its quality, timeline, performance, and progress. The subject of expansion and amplification of the scope of this MoU will also be discussed during this meeting.

Exchange of Information and confidentiality

- The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided exchanged or arising under the areas of cooperation identified in the MoU. The parties shall take all measures to protect the secrecy of and avoid disclosure to any third parties and unauthorized use of the information which is confidential and outside the public domain. Individuals who will come into possession of privileged information shall be required to sign a **mutual non - disclosure agreement** to the above effect.

General Provisions

- 1) The institution organizing an item of work shall have the nodal responsibility for mobilizing resources and conducting such works.
- 2) The parties shall discuss and finalize the detailed scope of work to be performed by each Party for each project and agree on the financial considerations for the same.
- 3) Except as agreed above in (2), each Party shall bear the respective costs of carrying out the obligations under this MoU. Neither Party shall claim against the other Party for any expenditure unless such expenditure has been agreed upon in writing between the parties.
- 4) The implementation of the areas and forms of cooperation identified in this MoU shall be subject to the availability and convenience of engineers, faculty, research scholars, students, and infrastructure facilities at the parties' workplace.
- 5) Any reports, research publications, and commercially exploitable innovations arising from the joint research projects shall be jointly published or patented as appropriate.

Relationship of the Parties

- This MoU is not intended to create a relationship such as a partnership, joint venture, agency, or employment relationship. Neither Party may act in a manner that expresses or implies a relationship other than an independent contractor, nor bind the other Party. Participation in this MoU shall not prevent either Party from entering similar MoUs with other institutions.

Assignment

- Neither Party may assign or otherwise transfer any of its rights or obligations under this MoU without the prior written consent of the other Party.

Use of other Party's Name

- Either of the Parties shall not use the other's name, trademarks, seal, photograph, or any other identifying or proprietary information in catalogues, advertising & promotional materials, or other material unless the other Party has reviewed and approved of the proposed use.

Validity

- Unless extended by the Parties in writing, this MoU shall remain valid and effective for Five (5) years from the date of execution hereof and can be extended for a further period to be mutually agreed upon. Either Party may terminate this MoU by sending a prior written notice of not less than one (1) month. The provisions of this MoU shall survive the expiry or termination of this MoU for Five (5) years.

Law

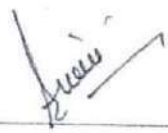

- Disputes and claims arising from this MoU or its interpretation, breach, performance, or termination, unless settled by mutual MoU in writing, shall be finally settled by arbitration in a court of law in Satara, Maharashtra India. The language of the arbitration shall be English, and Indian law shall apply. The award of arbitration shall be final and binding on the parties.

Miscellaneous

- This MoU supersedes any prior oral or written understandings and constitutes the entire MoU between the parties with respect to its subject matter, and no modification, amendment, or waiver thereof shall be effective unless in writing and signed by both parties.
- Neither Party shall make any claim against or be liable to the other for any loss or damage including but not limited to any consequential damages or loss of profits arising from any discussions, actions taken in reliance on this MoU. Unless agreed by mutual consent in writing, this MoU will expire automatically on 24th June 2022.
- Each person executing this MoU warrants and represents the authority to enter into this MoU on behalf of the Party whose name appears above their signature.

IN WITNESS WHEREOF, the duly authorized representatives of the parties hereto have executed this MoU and caused it to be effective as of the date first written above.
