Sub :- Quotation of "AutoLib" Library Automation Software.

Respected Sir,

This is reference to telephonic discussion with Library Head regarding Quotation of "AutoLib" Library Automation Software, we are very much thankful to you for considering us to present the proposal for the "Autolib" Library Automation Software. We are quoting our best lowest price for said item.

We have successfully installed "AutoLib" in more than 200 government educational institutes.

AutoLib is a totally integrated software package encompassing all aspects of library management. This software package covers all areas within the preview of the AutoLib for efficient Information Management. Software covers all MIS Reports required by AICTE / NAAC committee. Using this software user can generate ICARDS, BarCodes on any laser printer, Spine Labels and data on Book Cards, which saves lots of time and cost.

The detailed proposal is enclosed for your kind approval. If you need any further clarification, we would be glad to discuss it with you in person. We look forward to a long and fruitful relationship with your organization.

Thanking you and assuring you our best services at all times.

Yours Sincerely,

for Akash Infotech
